Oatmeal Cookies

Total Cook Time: 15 minutes
Cook from Frozen

Baking Instructions

1. Remove cookies from freezer and place on a parchment (or silcon) lined baking sheet. Allow them to sit at room temperature while oven is preheating.
2. Make sure rack is in the middle of the oven then preheat oven to 375˚ F
3. Bake small cookies for 10-12 minutes and medium cookies for 13-15 minutes.
4. Cookies are ready when they start to turn golden brown around the edges and tops. The center should still be slightly soft.
5. Remove cookies from baking sheet and place on a cooling rack. Enjoy!
6. Store in a airtight container for up to 3 days.

Important:

Do not eat the raw cookie dough.
Unbaked cookies contain raw flour and eggs and must be baked according to directions to be safe to eat.
